*Congratulations on your wedding and thank you for choosing  
Portsmouth Guildhall as your venue choice.*

*Portsmouth's Guildhall provides a majestic backdrop for your  
wedding pictures and memories. Whether you choose to spend  
all, or just part of your special day with us, you and your guests  
will enjoy and never forget the opulent surroundings of  
Portsmouth's premier wedding venue.*

Portsmouth Guildhall is most famous today as the city's leading entertainment venue, but the history of this iconic building also shines a light on the antiquity of the whole city. Originally completed in 1890, the Guildhall fell victim to Second World War bombs in 1941, causing extensive damage to the back and interior of the building; however the front exterior remained undamaged. A building steeped in history; Portsmouth Guildhall proves to be a stunning backdrop for your special day.
